This course is specifically designed with 35 contact hours to meet the Project Management Professional (PMP) Credentials established by the Project Management Institute.

Individuals who wish to meet the eligibility requirements must attend the course in its entirety. Attendance will be closely monitored and missing any portion of the class will affect the number of contact hours reported to the Project Management Institute. Learning Tree International will not be able to accommodate individuals who wish to make up lost time. Overnight reading is also required. Prior to attending class, please take a moment to review the PMI Handbook and begin your application process.
