PART II

Item 9B. OTHER INFORMATION

At the Company's 2012 Annual Meeting, held on March 28, 2012, the Company's shareholders voted for the election of two Class II directors, W. Mathew Juechter and Stefan C. Riesenfeld, for a three-year term, however, the 2012 Annual Meeting did not occur within 60 days of the record date for the 2012 Annual Meeting as required by Delaware law and the Company's Bylaws. As a result, the Class II directors will continue to serve as "holdover directors" until their successors are duly elected and qualified.

PART III

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers, as well as persons who own more than ten percent of our common stock, to file with the SEC initial reports of beneficial ownership and reports of changes in beneficial ownership of our common stock. Directors, executive officers and greater-than-ten percent stockholders are required by the SEC regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of the reports furnished to us, or written representations from reporting persons that all reportable transactions were reported, we believe that during our fiscal year ended September 28, 2012, our officers, directors and greater than ten percent stockholders timely filed all reports they were required to file under Section 16(a) except for the following late filings: (i) a late Form 4 filed with the SEC by Mr. Garen on January 11, 2013; and (ii) a late Form 4 filed with the SEC by Mr. Riesenfeld on June 13, 2012.

CODE OF ETHICS

On December 4, 2002, our Board adopted the Code of Business Conduct and Ethics (“Code of Ethics”) for all of our employees, including our principal executive officer, principal financial officer and principal accounting officer. The Code of Ethics requires all of our employees to avoid actual or apparent conflicts of interest, and our conflicts of interest policy applies to our employees and members of their immediate families. Actual or apparent conflicts of interest must be reported to a Human Resources Manager or directly to the Audit Committee of our Board of Directors. An employee may only proceed with the subject transaction if our Board of Directors or a committee of our Board approves of the transaction.

A copy of the Code of Ethics is publicly available on our website at <http://www.learningtree.com/investor/corpgov4.htm>. We intend to post on our website any amendments to, or waivers from, our Code of Ethics that apply to our principal executive officer or principal financial officer within two days of any such amendment or waiver.

AUDIT COMMITTEE

The members of our Audit Committee are Messrs. Bain (Chairman), Riesenfeld and Robson. The principal functions of our Audit Committee are to review the financial information to be provided to our stockholders and others, our financial reporting process, our system of internal controls, the independent auditors' independence, our audit process and our process for monitoring compliance with laws and regulations. Under our Audit Committee charter, our Audit Committee is solely responsible for hiring and firing our independent auditors and approving their fees and engagement terms; resolving any disagreement between our independent auditors and our management; and pre-approving all audit and non-audit services performed by our independent auditors, subject to a de minimis exception. Our Board has determined that each member of our Audit Committee is "independent" as required in our Audit Committee Charter and as required by the rules and regulations promulgated by the SEC. Our Audit Committee met seven times during fiscal 2012 and acted twice by unanimous written consent.

Our Audit Committee has adopted a charter, which is posted on our website at <http://www.learningtree.com/investor/corpgov1.htm>.

Our Board has determined that Howard A. Bain III, Chairman of our Audit Committee, is an audit committee financial expert because he has the following attributes: (i) an understanding of generally accepted accounting principles and financial statements; (ii) the ability to assess the general application of such principles in connection with accounting for estimates, accruals and reserves; (iii) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by our financial statements, and experience actively supervising one or more persons engaged in such activities; (iv) an understanding of internal control and procedures for financial reporting; and (v) an understanding of audit committee functions. Mr. Bain has acquired these attributes by means of having held various positions that provided relevant experience, as described in his biography above.

Item 11. EXECUTIVE COMPENSATION

COMPENSATION OF NON-EMPLOYEE DIRECTORS

Board compensation for our non-employee directors is determined by our Board, based on the recommendations of our Nominating and Corporate Governance Committee. Although our executive officers may provide background data in connection with this process, they are generally not involved in the discussion of Board compensation. In 2012, our non-employee director compensation consisted of the following:

- A monthly retainer of \$3,000.
- The annual retainer of \$5,000 for the Chairpersons of our Compensation and Stock Option Committee and our Nominating and Corporate Governance Committee. The annual retainer of \$10,000 for the Chairperson of our Audit Committee.
- The fee for each Board or committee meeting attended (i) in person, was \$2,000 and (ii) by telephone, was \$1,000; only a single fee was paid for attendance at multiple committee or Board meetings on a single day.
- A grant of \$62,103 in restricted stock units. Restricted stock units entitle recipients to receive shares of common stock upon vesting if on the vesting date the recipient has been continuously employed by us or has been a director of ours. The restricted stock units vest pro-rata on each of the first three anniversaries of the date of grant. The grants for 2012 were originally subject to the condition that we achieve an operating profit in the year of grant, however in June of 2012, our Board determined to remove the condition for all grants on a going forward basis.

In addition, our non-employee directors were reimbursed for travel and out-of-pocket expenses incurred on our behalf.

COMPENSATION OF EMPLOYEE DIRECTORS

Compensation for Dr. Collins and Mr. Garen, who are employee directors, is determined by our Compensation and Stock Option Committee. For a discussion of Dr. Collins' compensation, please refer to the "Narrative to Summary Compensation Table" below. From October 2005 through January 17, 2012, Dr. Collins, the Chairman of our Board and Chief Executive Officer, had been employed as our Vice-Chairman under an arrangement under which he received aggregate annual compensation of \$1.00 per year for his services. In addition to serving as the Chairman of our Board and Chief Executive Officer, Dr. Collins provides input to us on special projects as mutually agreed between him and us and administers a charitable giving program for us as described under "Related Party Transactions." We have an employment agreement with Mr. Garen, who is employed by us on a part-time basis, which provides: (1) that he reports directly to our Board and performs executive duties and functions as specified from time to time by our Board, and (2) that his employment is terminable by either party upon three months' written notice and that we may terminate the agreement without three months' notice for cause. We pay Mr. Garen \$15,000 per month, which our Compensation and Stock Option Committee believes is significantly less than the value of his services. Mr. Garen also has a Company-paid life insurance plan at a cost of \$720 per year. In addition, our employee directors are also reimbursed for travel and out-of-pocket expenses incurred in connection with Board matters.

Director Compensation Table

The following table summarizes the compensation paid to our non-employee directors for fiscal 2012:

Narrative to Summary Compensation Table

Overview of Compensation Program

Our Compensation Committee is responsible for oversight of our compensation and employee benefit plans and practices, including our executive compensation, incentive-compensation and equity-based plans. Our Compensation Committee also establishes our policies with respect to compensation of our executive officers, including the individuals who served as our Chief Executive Officer during fiscal 2012, as well as the other individuals included in the Summary Compensation Table above, whom we refer to as our "named executive officers."

Employment Agreements

We have employment agreements with Dr. Collins, Mr. Shevitz, and Mr. Nylund, which provide:

- that the agreement (and the employment of the executive involved) is terminable by either party at any time.
- that the executive will not (i) for a period of one year following termination, offer any service in competition with us, whether directly or indirectly, in any area served by us at the date of termination; (ii) for a period of two years following termination, disclose any information pertaining to our customers or the contents of any mailing list prepared or used by us during or prior to the term of the Agreement; and (iii) for a period of two years following termination, hire or solicit for employment any person who is an employee or subcontractor of our company as of the date of the executive's termination.
- respectively, that the Company agrees to pay \$29,166.66 per month to Dr. Collins, \$25,833.33 per month to Mr. Shevitz, and \$24,917 per month to Mr. Nylund.

The employment agreement with Mr. Nylund also provides:

- for severance compensation equal to six months' base salary upon termination of employment by us without cause. Cause is defined in the employment agreements as (a) a material failure to perform the executive's duties under the employment agreement, (b) breach of a fiduciary duty to our company or (c) an indictment for a felony or other serious crime.
- that the executive will not receive any incentive compensation and must repay any incentive compensation paid in advance within 30 days of termination if he terminates his employment with us or is terminated for cause.

- that the executive will receive any unpaid incentive compensation with respect to a year prior to the year in which he departs, and a prorated (using the number of days before and after his departure) portion of his incentive compensation with respect to the entire fiscal year in which he departs (which will be calculated and paid after the end of such fiscal year) if he is terminated by us without cause.

Interim Chief Financial Officer Agreement

In connection with the appointment of Mr. Asai as our Interim Chief Financial Officer, the Company entered into an Interim Service Agreement, dated September 27, 2012 (the “Interim Services Agreement”), with Tatum, pursuant to which the Company pays Tatum \$250 per hour for Mr. Asai’s services. Pursuant to the Interim Services Agreement, Mr. Asai is employed and compensated by Tatum.

Payments upon Termination

The information below sets forth the amount of compensation we will pay to each of our named executive officers in the event of termination of such named executive officer’s employment, including certain estimates of the amount that would have been paid on certain dates under what we believe to be reasonable assumptions. However, the actual amounts to be paid can only be determined at the time of such named executive officer’s termination.

All Terminations. Regardless of the manner in which any of our employees (including any of our named executive officers) is terminated, the employee is entitled to receive certain amounts due during such employee’s term of employment. Such amounts include:

- Any unpaid base salary from the date of the last payroll to the date of termination;
- Any unpaid annual bonus for a previously completed year, unless specified otherwise;
- Reimbursement for any properly incurred unreimbursed business expenses;
- Unpaid, accrued and unused personal time off through the date of termination; and
- Any existing rights to indemnification for prior acts through the date of termination.

Voluntary Termination/Termination for Cause. No additional amounts would be contractually due to any named executive officer upon a voluntary termination or a termination for cause.

Involuntary Termination. In addition to the amounts set forth above under “—All Terminations”, our employment agreement with Magnus Nylund provides that he will receive six months’ base salary upon termination of employment by us without cause. Assuming termination effective as of September 30, 2012, and based on the salary in effect as of that date and the incentive compensation that had been earned but not paid for fiscal 2012 as of that date, the amounts payable would have been as follows:

<u>Name</u>	<u>Salary and Incentive⁽¹⁾</u>	<u>Benefits</u>	<u>Total</u>
Magnus Nylund	\$155,318	—	\$155,318

(1) Reflects six months’ salary for Mr. Nylund, payable in accordance with our normal salary payment schedule, and any incentive compensation payable to each named executive officer listed.

Death. In accordance with our standard nondiscriminatory employee term life insurance provisions, the following amounts would be paid to the beneficiaries of the named executive officers if the officer would have died on September 30, 2012: \$250,000 for Mr. Nylund; \$310,000 for Mr. Shevitz; and \$350,000 for Dr. Collins. The foregoing amounts would be doubled in the case of accidental death.

Disability. Depending on the nature of the disability and other factors, under our various nondiscriminatory employee plans and arrangements, our named executive officers may be eligible for disability benefits in the event of a disability.

Change of Control. None of our executive officers is entitled to special payments upon a change of control.

Termination Arrangements with Former Officers and Directors.

Equity Incentive Plan

On June 19, 2007, our stockholders approved the Learning Tree International, Inc. 2007 Equity Incentive Plan (our "Equity Plan") pursuant to which we are authorized to issue incentive stock options within the meaning of Section 422 of the Internal Revenue Code and non-qualified stock options, stock appreciation rights, restricted stock awards (including restricted stock units), performance unit awards and performance share awards to named executive officers (as well as other employees and directors). The Equity Plan authorizes the issuance of up to 1,000,000 shares and expires on December 31, 2016. The Equity Plan is administered by our Compensation Committee. Each award under the Equity Plan is evidenced by a written agreement in a form approved by our Compensation Committee. To date, we have only granted stock options, restricted stock and restricted stock units under our Equity Plan. Restricted stock units (which entitle the recipient to receive shares of common stock upon vesting) are subject to conditions imposed by our Compensation Committee, including, without limitation, restrictions based upon time, the achievement of specific performance goals, and/or restrictions under applicable federal or state securities laws. Our Compensation Committee may accelerate the time at which any restrictions lapse and/or remove any restrictions.

Under our Equity Plan, the exercise price of an incentive stock option must be at least equal to 100% of the fair market value of the common stock on the date of grant (110% of the fair market value in the case of options granted to employees who hold more than ten percent of the voting power of our capital stock on the date of grant). The exercise price of a non-qualified stock option must be not less than 75% of the fair market value of the common stock on the date of grant. The term of any stock option may not exceed ten years (five years in the case of an incentive stock option granted to a ten percent holder). Our Compensation Committee has the discretion to determine the vesting schedule and the period required for full exercisability of stock options; although that period cannot be less than six months. Upon exercise of any option granted under our Equity Plan, the exercise price may be paid in cash, and/or such other form of payment as may be permitted under the applicable option agreement, including, without limitation, previously owned shares of common stock. No options granted under our Equity Plan are transferable by the optionee other than by will or by the laws of descent and distribution. Each option is exercisable, during the lifetime of the optionee, only by the optionee.

Defined Contribution Plans

We have adopted a defined contribution plan for the benefit of our United States employees who have met the eligibility requirements. The Learning Tree International 401(k) Plan is a profit-sharing plan qualifying under Section 401(k) of the Internal Revenue Code. Currently, the maximum amount of employee contributions remains subject only to statutory limitations. Effective October 1, 2009, we contribute at a rate of 30% of the amount, up to the first 6% of employee compensation, contributed by each employee. We contributed \$158,000, \$165,000, and \$287,000 to our 401(k) Plan for fiscal 2010, 2011, and 2012, respectively.

We have also adopted or participate in company-sponsored or country-sponsored contribution plans for the benefit of our employees of all of our foreign subsidiaries. Contributions to these plans are subject to tenure and compensation level criteria, as well as certain limitations. For fiscal 2010, 2011, and 2012, our cost for these plans was approximately \$531,000, \$640,000, and \$637,000, respectively.

BENEFICIAL OWNERSHIP OF PRINCIPAL SHAREHOLDERS AND MANAGEMENT

In accordance with Instruction 5 of Item 403, where more than one beneficial owner has been listed for the same securities, in computing the aggregate number of shares owned by directors and officers of the registrant as a group, those shares have been counted only once. Item 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

RELATED PARTY TRANSACTIONS

Transactions

Dr. Collins oversees (with the concurrence of our Nominating and Corporate Governance Committee) an annual charitable budget of \$200,000. In fiscal 2012, we paid a total of \$233,100 to eleven charitable organizations. Mr. Garen and Mr. Hessler are members of the board of one of the charitable organizations.

Policies and Procedures for Approving Related Party Transactions

In January 2008, our Board adopted a Related Party Transaction Policy, which prescribes policies and procedures for approving a “related party transaction.” The term “related party transaction” is defined as any transaction, arrangement or relationship or any series of similar transactions, arrangements or relationships (including any indebtedness or guarantee of indebtedness) in which:

- the aggregate amount involved will or may be expected to exceed \$120,000 in any fiscal year;
- we are a participant; and
- any related party has or will have a direct or indirect interest (other than solely as a result of being a director or a less than ten percent beneficial owner of another entity).

A “related party” is any person who, since the beginning of the last fiscal year for which we filed a Form 10-K and proxy statement (even if that person does not presently serve in that role), is or was:

- an executive officer, director or nominee for election as a director;
- a beneficial owner of more than 5 percent of any class of our voting securities;
- an immediate family member of any of the persons named above, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of the director, executive officer, nominee or more than 5 percent beneficial owner, and any person (other than a tenant or employee) sharing the household of such director, executive officer, nominee or more than 5 percent beneficial owner; and
- a firm, corporation or other entity in which any of the persons named above is employed or is a general partner or principal or in a similar position.

Our Board has delegated to our Nominating and Corporate Governance Committee the responsibility of reviewing and approving related party transactions. Our Nominating and Corporate Governance Committee either approves or disapproves of the entry into a related party transaction after reviewing the material facts of that related party transaction and taking into account such factors as our Nominating and Corporate Governance Committee deems appropriate. Approval of each related party transaction is given in advance, unless that is not practical, in which case ratification must be promptly sought from our Nominating and Corporate Governance Committee. Related party transactions that are ongoing are subject to ongoing review by our Nominating and Corporate Governance Committee to determine whether it is in our best interest and our stockholders best interest to continue, modify or terminate the related party transaction. No director may participate in the approval of a related party transaction with respect to which he or she is a related party.

DIRECTOR INDEPENDENCE

Based on information supplied to it by the directors, our Board has determined that Messrs. Bain, Riesenfeld, Robson, Hessler and Juechter are “independent” under the rules and regulations promulgated by the Nasdaq Stock Market. Our Board has determined that each member of our Audit Committee, Compensation and Stock Option Committee and Nominating and Corporate Governance Committee is “independent” as required by the rules and regulations promulgated by the SEC and the Nasdaq Stock Market.

Item 14. PRINCIPAL ACCOUNTING FEES AND SERVICES

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

For fiscal 2012 our independent auditors, as approved by our Audit Committee, were BDO USA, LLP, an independent registered public accounting firm. The following table presents fees for professional services rendered by BDO USA for fiscal 2011 and 2012:

	<u>Fiscal 2012</u>	<u>Fiscal 2011</u>
Audit Fees	\$652,500	\$808,500
Audit-Related Fees	\$ —	\$ —
Tax Fees ⁽¹⁾	\$ 86,667	\$139,983

- (1) Tax fees include fees principally incurred for assistance with the preparation of U.S. Federal and State returns and with other tax compliance matters.

Audit Committee Authorization of Audit and Non-Audit Services

Our Audit Committee has the sole authority to authorize all audit and non-audit services to be provided by the independent auditors engaged to conduct the annual audit of our consolidated financial statements. In addition, our Audit Committee has adopted pre-approval policies and procedures that are detailed as to each particular service to be provided by the independent auditors and require our Audit Committee to be informed of each service provided by the independent auditors. Such policies and procedures do not permit our Audit Committee to delegate its responsibilities under the Exchange Act to management. Our Audit Committee pre-approved 100 percent of the fees for services provided by BDO USA, LLP during fiscal 2012.

Our Audit Committee considered and determined that the provision of non-audit services by BDO USA, LLP was compatible with maintaining the auditors' independence. Our Audit Committee has selected BDO USA, LLP as its auditor for fiscal 2013.
